

Technical drawing of a rectangular grid structure. The overall width is 1780.0 and the overall height is 675.0. The drawing shows a grid of lines forming a series of rectangular cells. The grid is composed of 10 vertical lines and 10 horizontal lines, creating a 9x9 grid of cells. The lines are black and the background is white. The dimensions are indicated by arrows and text labels: 1780.0 for the width and 675.0 for the height.
